

TTN Ministries is primarily an evangelistic ministry with a strong focus on evangelism, discipleship, leadership training and church planting.

Our heart is for the lost of Africa

"Therefore go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit " Matt 28:19

We aim to give aid to those who need it most, and in doing so, demonstrate Christ-like Compassion. We, along with our partners, are doing everything we can to make a comforting difference in a suffering world.

When aid unites with the Gospel, we see incredible, permanent change in communities. Through the power of being the Hands and Feet of Christ,

The heart of TTN is preaching the gospel,

...making disciples, planting churches and raising leaders. The multitudes flocked to Jesus, desperate for the smallest amount of His time, the briefest of words, and to touch his garment. Jesus showed incredible compassion.

TTN Ministries strives to emulate that Compassion.

Together Chris and Angela, are the Directors of To The Nations Ministries Ltd live in Zambia with their son Immanuel.

Together they continue to make a difference AND make history with TTN Ministries – 1000s are saved at outreaches; hospitals are upgraded; clinics are restored and remote villages have access to education, small business loans are funded bringing hope of a better future to families.

The Directors of TTN Ministries are seeking the opportunity to share with others:

- ★ How container loads of donations make a real difference in the lives of others
- ★ How donations have opened doors and enabled the gospel to be shared in Zambia, Malawi, Tanzania and Nigeria

TTN Ministries works through invitation

- ★ We are looking forward to meeting your Church, Lifegroup, Cellgroup or Youth Group.
- ★ Why not invite a group of friends over for Morning Tea or Supper and be inspired by our "Uncontained Love" Documentary filmed and edited by Fishfilms which premiered at the Gold Coast Arts Centre on 19th October 2015.
